

Mayor Report
February 8, 2022

1. Attended the ACT meetings on January 6th. Todd Lawson presented the Counties plans for property reassessment. The reassessment process is underway and the County will alert local towns when the assessors will be in their area. The process will take a couple of years and affect individual assessments in 2024. It also discussed an ACT proposal on creating a fund to assist coastal towns with regional infrastructure needs. Todd Lawson discussed the county proposal that would share funds across all Sussex county towns. This initial proposal would be a matching grant (over \$100,000) to each town with stipulations of use and select timeframes. Orsted and US Wind will be invited to the February meeting to provide an update on the proposed wind farms.
2. Working with the Treasurer, Finance Director and Town Manager on Town Finance analyses and receipt of funds from the American Rescue Plan (ARP). Reviewing potential uses of County proposed funding of municipalities with excess RTT funds.
